

HELLO NEW 3RD GRADERS!!

I am so excited for school to begin! I recognize many names on our class list. I may have had a brother or sister of yours or I remember you from recess last year!!

I have had a WONDERFUL summer. I love to write so I have spent much of my summer writing blogs and articles. I have a dream of writing a book someday. In June, we took the ferry across Lake Michigan to Milwaukee. We had a great day there until we got caught in a THUNDERSTORM!!! I've spent many days doing two of my favorite things: going to the beach and spending a lot of time with family. I cannot wait to hear about the exciting adventures you did this summer!

This is going to be a wonderful year. I have been in our room making name tags, putting up locker signs, and getting the room ready so that you feel comfortable and ready to learn.

Next week **Wednesday, August 21 from 6:30 - 7:30** is our School Open House and you will get a chance to see our room for the first time. If you have school supplies that you have ready for school, feel free to bring them then. This will help you have a lighter backpack on the first day of school!!

Enjoy these hot days of summer and I hope to see you next week!!

Mrs. Houtstra
